### **Video Audition Instructions**

*Your application to the university must be submitted to the admissions office in to have your video reviewed.*

Auditions for the University Dance Team are held during the spring semester of each school year. It is strongly recommended that all students/incoming students attend the spring semester auditions. However, we recognize that this one time audition date may conflict with those wishing to attend. A video audition can be submitted for the following reasons:

- Distance
- Prior Engagements (i.e. H.S. Senior events, Graduation, Exams, Family related issues)
- Special Circumstances (must contact the Dance Director for approval)
